Sunday 01/3/2020 - 2pm	CBCC MACS -V- St Georges	Oswestry Leisure Centre
Sunday 15/3/2020 - 2pm	Oswestry -V- CBCC MACS	Oswestry Leisure Centre

(P) = Provisional

Playing - the team will consist of 8 players plus a reserve to travel. Usual indoor Pairs rules apply. 16 overs per side, 4 overs per pair. Maximum of 3 overs per bowler. If there is time we'll try and get 20 overs in and make the necessary adjustments. We did last year.

Just for clarity the roof is out of play (a player cannot be caught off it) and will therefore be a dead ball with an extra ball being bowled. The side walls and back wall are in play and players can be caught off them. A dead ball will also be called if the ball gets stuck in netting or kit bags.

After discussion among the coaches we are focusing on CC1s and Midday players this year, particularly those who didn't play in the league last year, with one or two of CC2s in a leadership role. I have emailed the other team managers to this effect so the emphasis is on fun and enjoyment.

Travel arrangements - by minibus to the venue, meet at the club 12md to leave no later than 12.15pm. Pickups can be arranged from St Asaph if necessary. Escorts will be drawn from parents of players attending with the remainder travelling by cars. Please don't rely on the café at Oswestry being open and bring plenty of drinks and snacks.
