

# During socially distanced Cricket activity in Wales

## Read the plan

Familiarise yourself with the layout, and where you can go. Please remember social distancing at all times.

Use own equipment throughout where possible and clean your bat when leaving field of play.

Players to remain socially distanced at all times (minimum 2m)

Fielder → → → Bowler

The ball must be immediately returned to the bowler, and not passed between players.

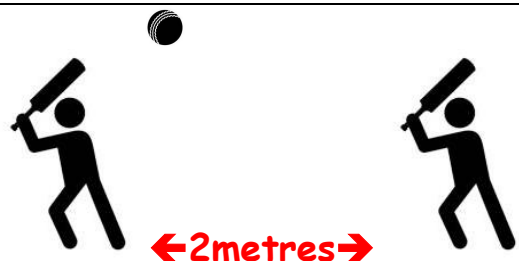

No saliva or sweat to come into contact with the ball at any time. No spitting.

A "hygiene break" will be made every 6 overs or 20 minutes. This includes hand sanitisation and cleaning of the ball.

Social distancing should be maintained during wicket celebrations and drinks breaks

Batters are to run in distinct marked running lines to ensure they are not within 2m of the bowler or another batter.

Groups limited to a maximum of 30 participants, including coaches and officials.
