

Colwyn Bay Cricket Club
Rules for members booking nets during Covid-19

Each person making a booking, must agree to follow these rules and sign this form to evidence their compliance before attending.

I will

- Not attend if I or anyone in my household displays symptoms or my household is currently in isolation.
- Carry out personal hygiene measures at home before and after use of the facility.
- Bring my own hand sanitiser where possible. If this isn't possible wash my hands with soap and water for at least 20 seconds before and after visiting the club.
- Travel with my household, avoiding public transport if possible.
- Observe social distancing at all times unless with members of my own household.
- Try not to arrive too early, aim to arrive at the start of my slot to help with social distancing.
- Bring my own playing/training equipment including balls.
- Bring my own filled drinking bottles.
- Avoid touching as much as possible whilst on club premises and use cleaning stations whenever available.
- Not spit.
- Not allow saliva or sweat to come into contact with the ball at any time. Not overstay my allocated time slot. I will be clear of the area by the time the next users arrive.
- Not stay to socialise.
- Not leave private property behind.

As a club we will

- Ensure those using the nets minimise the risk of injury (wear helmets, pads etc). As well as response times being delayed this is vital to avoid any additional stress on the NHS.
- Encourage all users to report any infection of their household following use of the facility to allow effective contact tracing and to limit the spread of the virus.

A club representative will be present at all times when members are using the facilities.
